

Fundraising Events at Our Lady of Fatima School

Scholastic Book Fair

Each year as the school year begins, Our Lady of Fatima School sponsors a Scholastic Book Fair along with our annual Open House. Students are familiarized with current authors through a “Meet the Author” video. Then, students visit the book fair throughout the following day. Parents and grandparents are invited and encouraged to attend this event with the students.

Bingo

Our Lady of Fatima School has long had the tradition of a fall and spring Bingo to benefit the school. Centered around the upcoming Thanksgiving celebration, the Fall Bingo gives away Turkeys as prizes for each game played. There is also a raffle; cash money is given for this prize. In addition, a final cover-all game is offered with the prize being half of the income from this game. A concession stand run by the PTO is available for the evening. Our older students offer a Bake Sale to raise money for their Space Camp trip. In the Spring, the same format is held for a Ham Bingo, centering around the upcoming Easter celebration.

Deacon John Duke Invitational Golf Tournament

Each fall, an invitational golf tournament is held to honor our beloved Deacon John C. Duke. Hole sponsorships as well as team entry fees generate funds for this event.

Santa's Secret Shop

Each December Our Lady of Fatima School holds its annual Santa's Secret Shop. The purpose of this event is to allow students to shop for family and friends as a surprise. Students are supervised as they plan shopping lists and budget their money to purchase family gifts for Christmas.

Lenten Fish Fries

As part of our Lenten activities each year, fish fries are held on Fridays during Lent. Our local Knights of Columbus prepare the meals and parents of our school help with the serving.

Butter Braid Bread

For the past several years, Our Lady of Fatima School and Pre-School have worked jointly on a Butter Braid Bread sales program. The product is a delicious frozen Butter Braid Bread which is packaged and delivered to the school ready to be distributed.
